GENERAL ORDER.

No. 549.

Horse Guards, 12th January, 1841.

THE General Commanding in Chief announces to the Army, that the Regulations which accompanied the General Order of the 16th of April last, relative to the terms upon which Land could be obtained by Military Settlers in Her Majesty's Colonies, are hereby cancelled.

The Regulations and Conditions specified in the annexed Memorandum are now published for the information and guidance of such Officers of the Army as may, in future, be desirous to become Settlers in the said Colonies.

By Command of the Right Honorable
GENERAL LORD HILL, Commanding in Chief.
JOHN MACDONALD, Adjutant General.

Information for the Use of Military and Naval Officers proposing to settle in the British Colonies.

1. Under the existing Regulations for the disposal of Lands in the British Colonies, Military and Naval Officers cannot receive free grants of land; but, in those Colonies in which a privilege in the acquisition of land has been heretofore accorded to them, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole £300.
Field Officers of 20 years' service and upwards, in the whole £250.
Field Officers of 15 or less years' service, in the whole £200.
Captains of 20 years' service and upwards, in the whole £200.
Captains of 15 years' service or less, in the whole £150.
Subalterns of 20 years' service and upwards, in the whole £150.
Subalterns of 7 years service and upwards, in the whole £100.
Subalterns under 7 years' standing are not entitled to any remission in the purchase of land.

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this Rule.

2. Officers of the Army or Navy who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land:—Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those

privileges.—Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

5. Gentlemen who have ceased to belong to Her Majesty's service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any Colony within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. An actual residence of two years in the Colony must be proved before the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

7. In those colonies in which sales continue to be made by auction instead of at a fixed price, general sales will take place periodically; but, in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorised to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought. Officers will thus be relieved from delay at the time of establishing themselves in the Colony.

The following is, in general Terms, the Nature of the Conditions on which Public Lands can be acquired in the Colonies adverted to in different General Orders of previous Dates on the present subject.

In the Port Phillip district of New South Wales and in Western Australia, the public lands will be sold at one fixed price, which is for the present established at £1 per acre.

In the following Colonies sales are made at auction, and take place at certain periods, the land being offered at the respective upset prices named in the annexed list:—

Sydney district of New South Wales, comprising at present all parts exclusive of the Port Phillip district ..... } 12*s.* per acre.

Van Dieman's Land, 12*s.*—Ceylon, 5*s.*—New Brunswick, 2*s.* 6*d.* per acre.

In the Port Phillip district and in Western Australia it is intended to divide the land into lots of 320 acres, or half a square mile. In Canada, the lot has generally been 200 acres; in Ceylon, 100 acres; in Van Dieman's Land and the Sydney district of New South Wales, the size of the lot is one square mile except under special circumstances.

The several prices above mentioned will of course be subject, at any time, to revision by the proper Authorities, and the pecuniary amount of the Officer's remission cannot be increased on account of an increase in the value set upon the lands.

Note.—*It is to be observed, that until an Act shall have passed the Legislature of Canada, granting privileges to Officers in the acquisition of Land in the Colony, that Province cannot be included in the provisions of this General Order.*
